*A Workshop for Employers*

***“Wage & Hour Laws in California”***

**About the Session...** This seminar is designed to take the confusion out of understanding Wage and Hour Laws in California. Existing and updated laws will be reviewed. Employers will receive critical information on topics such as: Meal Periods, Travel Time, Weighted Average, Overpayments, Deductions for Partial and Full Day Absences for Exempt Employees, Wage Deduction Authorization, Conferences & Hearings, Waiting Time Penalties, Overtime Wages, Recordkeeping requirements, and more. The goal is to educate employers in order to assist them in properly managing payroll within regulations, thus avoiding costly fines. Bring your questions for the Q&A session. This is your ‘safe’ opportunity to talk to those working with Labor Standards Enforcement.
